

Bar graphs — Each step = 5

Name: _____

Date: _____

Read each bar graph and answer the question.

Stickers in each packet

Each step on the scale is 5.

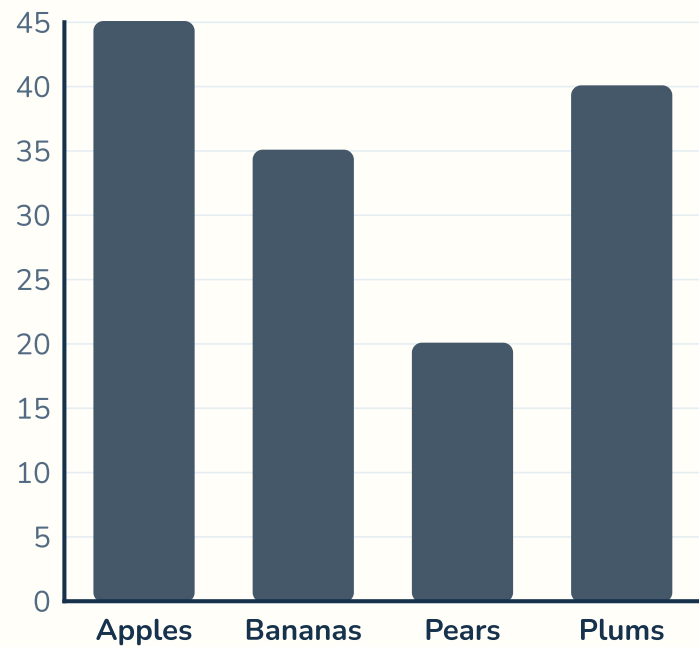

① How many more stars than moons?

35

② How many more stars and moons than hearts?

③ How many altogether?

Fruit sold at the shop

Each step on the scale is 5.

④ How many altogether?

⑤ How many fewer plums than apples?

⑥ Which has the fewest?

Bar graphs · Each step = 5 — Answer key

1. Stars is $40 - 5 = 35$ more than Moons
2. $40 + 5 = 45$, $45 - 25 = 20$
3. $40 + 25 + 5 + 45 = 115$
4. $45 + 35 + 20 + 40 = 140$
5. Plums is $45 - 40 = 5$ fewer than Apples
6. Pears (20)
