

Single-unit scale

Name: _____

Date: _____

Read each bar graph and answer the question.

1 How many more stars than moons?

2 How many more stars and moons than hearts?

3 How many altogether?

4 How many altogether?

5 How many fewer bananas than pears?

6 Which has the fewest?

Answer key

1. Stars is $6 - 3 = 3$ more
than Moons

2. $6 + 3 = 9$, $9 - 1 = 8$

3. $6 + 1 + 3 + 5 = 15$

4. $4 + 1 + 7 + 6 = 18$

5. Bananas is $7 - 1 = 6$
fewer than Pears

6. Bananas (1)
