

Subtracting

Name: _____

Date: _____

Read each problem. Write the answer.

- 1 Nina had 19 cookies. Now only 10 cookies are left.
How many cookies were given away? ____

- 2 Maya and Ava have 19 pencils between them. 11 pencils belong to Maya.
How many pencils belong to Ava? ____

- 3 Ava and Max have 15 stickers between them. 12 stickers belong to Ava.
How many stickers belong to Max? ____

- 4 Maya had 18 cookies. Now only 14 cookies are left.
How many cookies were eaten? ____

Answer key

1. $19 - 10 = 9$ cookies

2. $19 - 11 = 8$ pencils

3. $15 - 12 = 3$ stickers

4. $18 - 14 = 4$ cookies
